

# Active Shooter Response (ASR1) - LEO and SRO's: FREE - 2 Days

Date: TBD

Length: 2 Days

CEU's: 16 CEU's

Type: Basic

Costs: Free

Start Time: 0800 Hours

Checks Payable To: **Not Applicable**

Credentialing: This course is for certified, active and credentialed law enforcement officers only with arrest powers.

This two-day program is designed to enhance and improve the response to an active shooter/mass casualty event requiring immediate intervention to stop loss of life as a result of a criminal or terrorist act of violence against our schools. This course uses a compartmentalized structure to assist agency's needs. Attendees will receive active shooter response training including single/multiple office response tactics, techniques and procedures.

Training Outcome: Students will gain the capability and training necessary to eliminate active shooter threats.

This course requires moderate to high levels of physical fitness and the class learning objectives will fatigue the student. The student must be able to walk, run short distances, kneel, squat, bend, assume prone positions and recover to any position unassisted. Students should not attend that have back problems, heart conditions or any other physical limitations.

## Equipment List: Each student needs to bring:

- ❖ Wrap around eye protection, hearing protection
- ❖ Body armor/tactical vest
- ❖ Flashlight: weapon mounted and/or handheld
- ❖ Non-lethal training weapon (Force on Force® or similar) – if you don't have one, we will provide you with one
  - Two magazines and duty holster
